They had discussed the following:

1. They had asked for the Faculty who had taught them some subjects Prof V Chandra Prakash and Prof. Vasanth Kumar.
2. They said 22 students from there batch settled in USA.
3. Rest of them got Government Jobs.

4. They asked for specialization in some particular area, we had told them 5 specializations of the student choice were there.
5. Discussed about UNIX and Open Source Technologies.
6. They told that “C” Language is very important and still they are using for network implementations.
7. They had explained about the importance of Python and scripting languages.
8. They have asked us about the Ethical Hacking, attacks and clouds security. We said them that there are some certificate courses on Hacking.
9. We had discussed about Microsoft Cloud Applications
10. Discussed about 12th standard Education and their Academic Processes.
11. They have asked about the cloud ad Biddata technologies, we said them that we had them as Electives in our Academics.
12. They said that Communication and Group discussion are very important for students, we informed them that we have separate department for soft skills.
13. They told the importance of student should have more exposure in one area.
14. They had talked about Industrial Globalization.

After the meeting, they had interacted with the students of III/IV B.Tech in Room No:C411 at 3:00 PM.

The following points are discussed with the students:

1. They had told the students about their batch, how they had settled in life, jobs.
2. They had asked students about their Academics.
3. They had advised them to do Hard work and must concentrate on Jobs.
4. They advised the students to join in product based companies.
5. One student asked them where they should go for Job or higher studies. They told them to do the job for 2years and then go for higher studies.

Yours Sincerely,

(K.Ravindranath)
