CENTRE FOR EXTENSION ACTIVITY

NEMSIS– REPORT 3 (2014-2015)

Swine flu has now become burning issue in our country. It spreads from person to person by inhalation or ingestion of droplets containing virus from people sneezing or coughing. Symptoms include: cough, fever, sore throat, stuffy or runny nose, body aches, headache, chills and fatigue. Health ministry provided guidelines stating clearly that masks should be used for protection from influenza germs. The ordinary surgical masks are available, but the most effective N-95 respirator with proper filters is not available to everyone's reach.

The flu is very unpredictable when it begins and in how it takes off. So, we the NEMSIS team conducted an event –**Swine Flu Awareness Program**. The event started at 3:30 P.M at M.G. Road, Vijayawada. All the team members are engaged created awareness among people about the vaccinations and the precautionary activities to be followed. The threat of Swine flu triggers demand for masks. We distributed 1500 masks for free to people. The event winded up at 6:00 P.M.

BUDGET

1. N-95 Masks	:Rs. 2.9 * 1500 = Rs. 4,350/-
