NEMSIS– REPORT 4 (2014-2015)

About Orphanage:

The founder of this orphanage is Mrs. K Santha in 1994 with three members near Vanukuru. The count of the Organization increased gradually to 25 and is maintained consistently till date. The elder citizens who are left by their children, people with lack of economical support are treated with utmost care in the old age home. The organisation provides all the basic needs like food, accommodation, maintenance, medical support with free of cost to the aged people.

Session Activities:

NEMSIS team members welcomed all people living in the organization. **NEMSIS** team then introduced themselves and interacted with them. Their pathetic situations and unbearable past had mutilated us so deeply. One amongst the 25 people quoted “If I knew I was going to live this long, I'd have taken better care of myself “, this agonized everyone involved in the event. Later, the event was proceeded by lunch and prayers. There are people who aged 80 years, unable to eat food by themselves, and thus are taken care by the founders of the organisation and **NEMSIS** team members also helped them.

NEMSIS team organized various games, which provoked the childish behavior with in them. Old people took active participation in songs and dance. They suggested us to visit them frequently, in-order to create fun filled environment. At the end of the day, all the aged people were overwhelmed with joy. We felt homely and are blessed by the old people and the Session was concluded by 5:00 P.M.
