CONTENTS

1. Workshop Summary

This report provides a brief summary of the A Two-Day Workshop organized by KERG, SKD of Computer Science and Engineering Department. KERG organized A Two-Day Workshop on "Job opportunities in the IT Industry and career building in Knowledge Management" on January 20th – 21st 2015 from 10.00 am to 5.00 pm in the Jasmine Hall, C-Block, K L University. The Workshop brought together over 170 Students of CSE B.Tech 2/4, 3/4, 4/4. The lecture was delivered by an eminent resource person Mr. Ravi Kiran , Director of Knowledge Management, SAP Labs, INDIA. The workshop focused on the preparation needed by a Computer Science & Engineering graduation during their education period, to obtain suitable jobs immediately after education without any delay. Facilitators provided awareness on how the Software Engineers principles are used in real time environment in software companies. A special emphasis was given on knowledge Management, which is growing rapidly in Indian Job market; student's got good insights into how to build the career in Knowledge Management. The KLU Vice President Mr. RAJA HARIN graced the occasion and wished grand success for the program. Dr.LSS Reddy, vice-chancellor, Dr. K. Thirupathi Rao, HOD-CSE, Dr. K. Subramanyam, Associate Dean (R&D) and Dr. D. Rajeswara Rao, RPAC chairman-CSE &group head-Knowledge Engineering had congratulated the students and wished that students will be completely thoroughed about the IT-Jobs market in India and abroad after the workshop.
